

Job & Applicant Review

While your job is pending review, we encourage you to explore the additional CyHire features available to you.

Job Posting Review: On the job Listings and Interviews tab, you will see a list of your past, present or future job postings. You can view both the job status and the number of applicants for each position.

Job Editing: Clicking on a position will give you access to viewing the current job details as well as the ability to make any desired edits.

Applicant Review: By selecting applicants, you can view information associated with each completed applicant and sort according to your needs.
