

Homepage-Dashboard

1. After logging in, you will arrive at the homepage-dashboard as shown below, you will have access to several important features of CyHire. The following directions will provide an overview of the features necessary to begin your part-time job search on the Student Job Board.

Student Job Board

The screenshot displays the CyHire interface for the Student Job Board. The left sidebar contains a navigation menu with 'Student Job Board' highlighted. The main area is titled 'Job Listings & Interviews' and includes a search bar, filter options (Job Status: Approved, Application Open; Location: Ames - IA; Job Type: Part-Time Job), and a table of job listings. The table has columns for Job, Favorite, Job Status, and Application Status. A single job listing is shown: 'America Reads/America Counts Tutor' at ISU, with a status of 'APPLICATION OPEN' and an application deadline of 11/04/2024, 11:59pm CST.

Navigating to the **Student Job Board** will allow you to search specifically for part-time student employment opportunities. Job postings found here are designed to be for **students looking to work while enrolled in coursework** at ISU. These jobs may include **part-time** employment opportunities on campus as well as off-campus jobs posted by employers in Ames and the surrounding communities.

Please note, CyHire acts as a centralized job board platform for students and employers. While the Student Employment Center at ISU oversees the Student Job Board, any questions regarding specific job details, interview, hiring or onboarding process should be directed to the primary job contact associated with each position.

Questions about your part-time job search on CyHire? Contact studentjobs@iastate.edu

For more information regarding CyHire's advertisement of internship and full-time, post-grad employment opportunities, please contact a Career Services office on campus.
